MANEPALLY JEWELLERS: A TRUSTED LEGACY LEADING THE REVIVAL OF THE INDUSTRY

Manepally Jewellers, established in 1890, is a titan in the jewellery space and one of the oldest jewellery brands in the city. Four branches across the breadth of the city - Secunderabad, Panjagutta, Kukatpally and Dilukhnagar, the store, with its exquisite selections, is a one-stop-shop for all wedding jewellery. With its elaborate history, Manepally Jewellers is an integral part of the most important milestones of the families it has served and has fostered relationships that span generations. At the store, every piece is a unique work of art, which is carefully hand-crafted from the finest quality gold, Diamonds and internationally certified (IGI & GIA Certified) precious stones. This ensures that at Manepally Jewellers you are rest assured one of the best quality, designs and pricing.

Although the recent lockdown measures have had a severe impact on the massive manufacturing employee base that the jewellery sector employs. Which, combined with record-high gold prices in previous months has meant that the industry was facing reduced demand and supply. In the past month, however, the tide has turned, with Manepally Jewellers leading the charge for the revival of the industry. Along with its trusted legacy Manepally Jewellers, has always been at the forefront of innovation and in response

to the recent pandemic has taken the lead to reinventing its signature shopping experience for its clientele.

With the lifting of the lockdown measures, the expert craftsmen at Manepally Jewellers have designed an exceptional collection for the upcoming Dussehra, Diwali, and Dhanteras festivals. Including fusion collections with masterpieces drawing inspirations from not just two, but multiple cultures from across the country. Stylistically, Manepally Jewellers is also offering unique pieces which are perfect for youngsters, showcasing precious stones such as Rubies, Emeralds, Sapphires and Rose Cut Diamonds, with fine workmanship and intricate designs.

And with a high number of auspicious days this year, Manepally Jewellers is the choice for all the wedding needs you may have. To enable this, the Dilukhnagar branch has been made into an exclusive comprehensive wedding studio with a collection of sarees, silverware and gifts made available. With all the latest safety protocols enforced to guarantee a luxurious and safe shopping experience.

Another feature that Manepally Jewellers has come up with in response to the pandemic has been allowing its users to shop from home using its 'Virtual Wear' feature which has had a tremendous response from customers. As always, Manepally Jewellers is expanding and growing and is set to launch another store in the city in the coming year. And possibly expanding to other states in the future as well.

Hegde Fertility: Bring your dreams to life!

Hegde Fertility is one of the most well reputed fertility and IVF centres based in Hyderabad. The first branch of Hegde Hospitals was established in 1978 by Dr Vijaya Hegde in Dilukhnagar, Hyderabad. With over 40 years of experience and unmatched service to patients, Dr. Vijaya Hegde with her expertise in healthcare, set a vision to provide best quality treatments to the patients with utmost care.

Following in her footsteps, Dr. Vandana Hegde - one of the best Doctors in the field of infertility care has developed many treatment methodology and diagnostic abilities, enabling the Hospital to achieve over a thousand patients with successful pregnancies over the years.

Over the course of its illustrious history 'Hegde Hospital' & 'Hegde Fertility' has served approximately a million patients from all over India. The hospital's long-standing legacy has been founded upon its core values of exceptionally high standards of ethics and a patient centric approach. This focus has meant that the hospital along with its range of clinics has also delivered the best service through transparent and direct communication, enabling a lifelong relationship of trust and happiness.

In 2010, Hegde Fertility established its premier 5-floor ART centre at Hitech City, Madhapur. The centre was built to provide infertility treatments such as IVF treatment, IUI surgical procedures, and advanced treatments such as PGS, LAH, ERA in an ethical manner using advanced scientific means. The present team of experienced doctors at 'Hegde Fertility' is com-

plemented by highly qualified consultants, infertility specialists, embryologists, andrologists who cater to the growing rise of infertility cases in the country. With their tremendous, combined knowledge, they provide personalized solutions in a scientific manner that increases the chances of success while adhering to all industry standards and following all leading practices from around the world.

With advanced facilities, state-of-the-art laboratories, highly trained experts, and a caring staff all designed with a singular goal of being a centre par excellence that fulfills the desire of couples for their own child.

'Hegde Fertility' is equipped with highly advanced medical equipment used to produce detailed analysis and reports of the egg and the sperm which are the es-

sential ingredients of life. This facilitates the creation of one of the highest quality embryos to be transferred into the Mother's womb. Additionally, it offers advanced OT and ICU facilities where advanced Laparoscopy and hysteroscopy treatments are regularly performed for surgically curing infertility issues.

Hegde Fertility passionately believes in enabling the right of all couples to conceive, irrespective of their age, medical condition, or financial status. In line with this belief the centre has provided successful treatments to patients from rural areas, poor socio economic conditions, and from distant parts of the world. In the process, it has garnered a reputation of being one of the premier institutions that specializes in treating all infertility issues and complications.

Since its inception, Hegde Fertility with its personalized care, treatment plans, and monitoring protocols has been instrumental in delivering thousands of successes in various infertility treatments.

Additionally, Hegde Fertility is now providing a range of wellness treatments such as acupuncture, fertility massage, and Yoga for fertility. The centre is also constantly engaged in innovation in service levels and treatment delivery to ensure the result is what everyone hopes and prays for - A baby in the couple's arms!
